

Goshen Public Library & Historical Society Welcomes Interim Director

The Board of Trustees of the Goshen Public Library & Historical Society (GPL&HS) formally welcomes Josyln Bowling Dixon to serve as Interim Library Director. At the regular Board meeting on July 8, 2024, the Board provisionally accepted Ms. Dixon's appointment pending legal review, with finalization of the Interim Director contract on July 15, 2024

Ms. Dixon currently serves as Interim Director of the New Rochelle Public Library, helping them as they transition to a new full-time Director. Ms. Dixon will serve a similar role at the GPL&HS, assisting the Board and staff as we embark on a permanent Director search and helping to maintain stability and continuity of operations at the GPL&HS.

The Board of Trustees is committed to a thorough and expedient search process to find a permanent director who will continue to uphold the library's standards of excellence and service to the community. Ms. Dixon will provide a pivotal role of leadership and guidance during this transition period. The library staff remains dedicated to serving patrons without interruption. The Board's continued focus is on ensuring a seamless transition and continuing to provide the community with the high-quality library services they expect and deserve.
