

Why join the Mid Hudson Orchid Society?

The Mid Hudson orchid Society (MHOS) welcomes you to join us. Learn tips and tricks for cultivating orchids from beginners and advanced growers! Whether you grow orchids on your windowsill, under lights, or in a greenhouse, you will find informative, welcoming members to help guide you. Enjoy the fellowship of others who also share a fascination with these plants.

Our monthly meetings are held in the Town of Newburgh, NY. At the meetings enjoy the members' show table, guest speakers, and hands-on workshops. Also enjoy a member newsletter, member buying/selling opportunities, and special vendor discounts and pre-ordering opportunities.

In addition to our monthly meetings, annual Holiday party, and Summer barbecue, our Society also conducts an Orchid Show and Sale twice each year, which is open to the public. We are registered with the American Orchid Society.

View our calendar for meeting dates and other events on the MHOS website mhorchidsociety.com. Enjoy a free meeting and see what we are all about.
